Projects

AI Investment Research Agent | Next.js, TypeScript, LangGraph, Groq AI, Prisma ORM, SQLite, APIs, multi-Agent AI | **Demo** Jun 26 – Jul 26

- Designed and implemented an AI Investment Research Platform using a modular multi-agent architecture for automated financial research and decision support.
- Developed Research, Financial Analysis, News, Risk Assessment, and Decision agents using LangGraph-based orchestration. Integrated Prisma ORM with SQLite to support persistent search history and scalable AI workflows.
- Structured the application with a scalable architecture supporting future enhancements Implemented historical stock visualization, and interactive financial dashboards using live market APIs.
- Repository Link:** <https://github.com/Srujanaaddanki/AI-Investment-Research-Agent>

Social Media Behavioral Analytics Dashboard | Tableau, Excel/CSV, Data Visualization | **Tableau Public** Apr 26 – May 26

- Constructed an interactive Tableau dashboard to analyze user engagement, screen time, posting activity, and behavioral trends across social media platforms, enabling data-driven insights through dynamic visualizations and KPI tracking.
- Architected KPI cards, treemaps, scatter plots, bubble charts, filters, and tooltips to improve dashboard interactivity and analytical storytelling.
- Transformed raw social media datasets into actionable insights, strengthening data visualization, dashboard design, and analytical thinking skills
- Repository Link** : <https://github.com/Srujanaaddanki/tableau-Social-Media-Project>

Travel Trip Budget Prediction | Python, Pandas, NumPy, Scikit-learn, Plotly, Folium, SQLite, Streamlit | **Demo** Nov 25 – Dec 25

- Built an AI-powered travel budget prediction platform using Random Forest Regression and external APIs to estimate costs for known and unseen travel destinations.
- Performed data preprocessing, feature engineering, and exploratory data analysis on 900+ travel records to identify major factors affecting trip expenditure.
- Evaluated multiple regression models and generated interactive visualizations and analytical reports to support data-driven travel planning decisions.
- Repository Link** : <https://github.com/Srujanaaddanki/TravelTripBudgetPrediction>

Travel Insights & Budget Analysis Dashboard | Power BI, DAX, Data Modeling, KPI Analysis, Excel | **Live Dashboard** Oct 25 – Dec 25

- Developed a multi-page Power BI dashboard to analyze travel spending patterns, budget variance, and seasonal trends for data-driven executive and stakeholder decision-making.
- Implemented DAX formulas, KPIs, and interactive slicers to model and evaluate time-based expenditure trends.
- Enabled intuitive drill-through navigation, forecasting visuals, and custom tooltips improving clarity, engagement, to enhance self-service analysis.
- Repository Link** : <https://github.com/Srujanaaddanki/Travel-Insights-Budget-Analysis-Dashboard>

Certifications

Oracle Cloud Infrastructure 2025 Certified Data Science Professional | Oracle | Badge | Certificate Oct 25

Oracle Cloud Infrastructure 2025 Certified AI Foundations Associate | Oracle | Badge | Certificate Sep 25

Achievements

Selected as a Contributor for Girl Script Foundation GSSoC 2026 from 35,000+ applicants, contributing to AI/Agents and Open-Source projects May 26

Resolved 400+ coding problems across LeetCode, GeeksforGeeks and CodeChef, strengthening problem-solving and algorithmic thinking. Oct 25

Awarded 3rd Prize in Group Discussion competition, reflecting confidence, presence of mind & the ability to articulate ideas under pressure Mar 25

Technical Skills

Programming: Python, SQL, Java

Analytics: Excel, Power BI, Tableau, Pandas, NumPy, Scikit-learn

Data Engineering: ETL, Data Pipelines, Hadoop, Hive, HDFS, SQLite, REST APIs

Development & AI: LangGraph, LangChain, AI Agents, LLM Integration, Next.js, React, TypeScript, Tailwind CSS, SQLite, Git, GitHub, VS Code

Professional Skills: Analytical Thinking Problem Solving Critical Thinking Attention to Detail Communication Team Collaboration Adaptability

Education

Lovely Professional University Punjab 2023 – 2027

Bachelor of Technology (B.Tech) - Computer Science and Engineering Phagwara, Punjab

Sri Chaitanya Junior Kalasala 2021 – 2023

Intermediate; — Percentage: 95.1 Vijayawada, Andhra Pradesh

Sri Chaitanya High School 2020 – 2021

Matriculation; — Percentage: 100 Eluru, Andhra Pradesh
